

Dear Parents/Carers,

Good afternoon and welcome to our first parent bulletin of the Summer term.

Year 5 Heatree Information Evening

For those with a year 5 child that is attending Heatree, the final information meeting will be next Wednesday 24th April at 5.30. This will include more details about the trip as well as a kit list of what the children will need to bring with them.

Learning Equipment

The start of term is a good time to revisit the expectations for all pupils in terms of the learning equipment they bring to school. Pupils of middle school age are responsible for ensuring they bring all they need to take part in their lessons - those who do not bring what is required cause disruption to learning as they are unable to start lessons in a purposeful way - therefore this is rightly sanctioned.

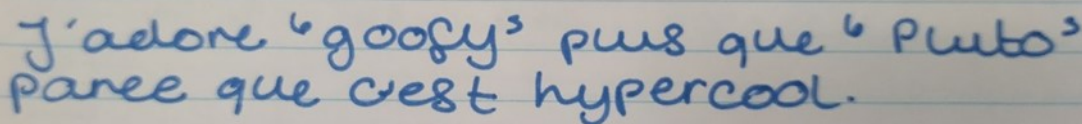

Pupils must each morning ensure they have in their school bags the following - tutors carry out daily equipment checks to verify that this is the case:

Writing pen
Pencil
Ruler
Rubber
Marking pens (pink, green and purple)
Glue stick
White board pen (this will be replaced when required in school)

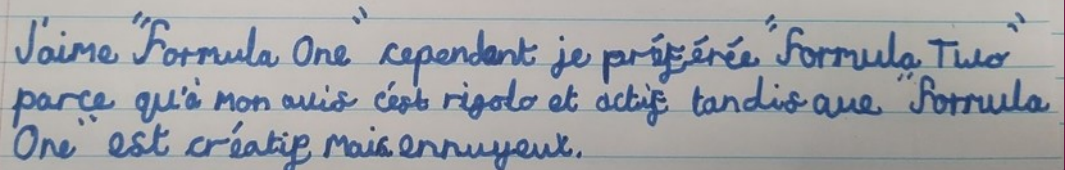

To support pupils in having the correct equipment we run a stationery shop each Wednesday breaktime in the Y5 shared area - please check in with your children regularly with regards to any stationery they need to purchase. Thank you for your support with this.

Year 7 French

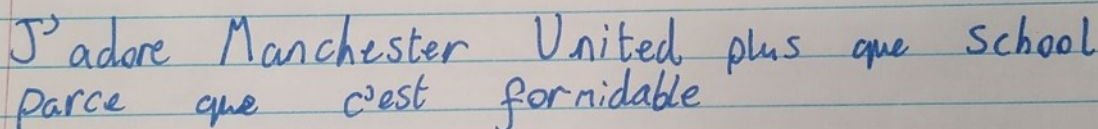

In the Spring Term Year 7s learnt about Expressing and Justifying Opinions. The context was about their school lessons. At the end of the topic, once sufficient progress with the must know words had been made, pupils were able to create their own fluent context. Here are some of the best examples.

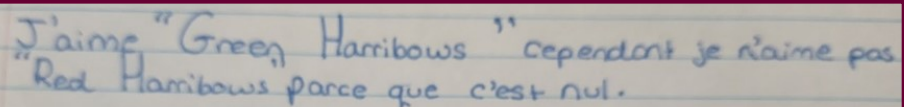

J'adore "goofy" plus que "Punto"
parce que c'est hypercool.

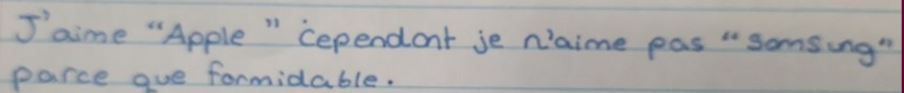

J'aime "Formula One" cependant je préfère "Formula Two"
parce qu'à mon avis c'est rigolo et actif tandis que "Formula One" est créatif mais ennuyeux.

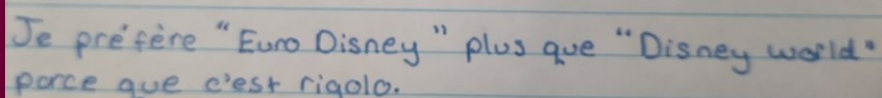

J'adore Manchester United plus que School
parce que c'est formidable

J'aime "Green Haribows" cependant je n'aime pas
"Red Haribows" parce que c'est nul.

J'aime "Apple" cependant je n'aime pas "Samsung"
parce que formidable.

Je préfère "Euro Disney" plus que "Disney world"
parce que c'est rigolo.

AFC Bournemouth Community Trust

Today, 12 pupils across all four year groups took part in the first of three interventions held in school by AFC Bournemouth Community Trust. The first part of the session involved Football themed reading which they all enjoyed. They then went outside for a match referred to by Sophia Bravo from the Community Trust which was very competitive and great fun!

Parent Volunteers

We are looking for parental volunteers to help in our year 6 food technology lesson on a Tuesday between 11.00am and 1.00pm. If you would be interested in helping, please contact the school office.

All that is left is to wish you all a great weekend and we look forward to seeing everyone back on Monday morning.
