

Monday 11th March

We all got up really early and arrived at school with our parents and cases and went to the school hall. After we were checked in and gave our passports and pocket money to our group leader, we got on the coach and set off. We waved to our parents and headed towards France!

We stopped at Clacket Services and then went to the Eurotunnel at Folkestone. The coach drove onto the train and it was a really strange feeling to be underground. We didn't feel as if we were even moving.

We then made our way to the Château de Grande Romaine. We arrived at 5pm French time and the PGL staff were there to meet us. Their names are Amy and Ryo.

We took our cases to our rooms and then it was time for our evening meal. After that we unpacked and then we had a snapshot competition where we had to do a treasure hunt around the grounds in our groups. It was great fun because we were allowed to run around in the dark with our torches.

We are really looking forward to tomorrow as we are going to a French market and the centre of Paris.
