Careers Newsletter

Spring 2020

Dear Parents/Carers/Staff and Pupils,

We are excited to launch our new careers programme at Emmanuel Middle School. Each term we will inform you of careers events and opportunities which our pupils be able to participate in. In addition, our Wellbeing curriculum will be covering a range of career themes including KS3 projects on careers in the NHS and the Police. They will also be learning about money: how to budget, how to safely buy on-line and to understand scams and fakery. This term, KS2 will be thinking about their own Dreams and Goals and will also be learning about salaries for different jobs.

Year 8 will be going to Bovington Tank Museum in March to be part of a huge Dorset school's careers convention and later in the year, they will be involved in a careers workshop led by Mrs Stroud from Ferndown Upper School.

It is National Apprenticeship week next week and if you want to find out more about the world of apprenticeships please click on the link for a parents' pack. It also includes useful information about supporting disabled individuals to access apprenticeships on page 13.

It is never too early to think about what you want to do or be when you leave school and we would encourage you to talk about your own qualifications, jobs and career paths with your children. At Emmanuel Middle School, every thing we do for our young people, is rooted in our core values of Excellence, Endeavour and Enjoyment – our 3 Es. This includes not only preparing pupils for their next steps, but also encouraging them to look further forward to what they might want to achieve in their future education and subsequent careers. As well as explicit lessons, we will be taking opportunities throughout our daily school life in sharing job descriptions and career paths of our visitors, as well as our staff. If any parents would like to come in and talk to our pupils about the work you do, please contact Mrs Robertson through the school office.
