

Dear Parents/Carers,

Good afternoon and welcome to this week's parents' bulletin at the end of a week which has seen fundraising, sports events, inter-house and inter-school competitions in addition to our curriculum lessons.

Aligned with the national initiative, this was Anti-bullying week at EMS and this formed the focus of our daily worships. We have always had an anti-bullying ethos at Emmanuel and the message we give to our pupils is to always reach out and don't be a bystander. To support Anti-bullying, as part of our Wellbeing curriculum this term, we have taught about Human Rights and the Law in year 5, Diverse Britain in Year 6, Peer Pressure in Year 7 and Discrimination Year 8.

Today saw our Children in Need cake sale. Thank you to everyone who donated cakes, which along with our non-uniform day helped us to raise, we estimate, about £500 (we will let you know the exact figure once the money has been counted) - not to mention the large number of children who enjoyed a treat at breaktime!

Last Friday our PTFA ran their first disco - with more to follow. This hugely popular event was a great success due to the responsible behaviour of all the children who had a great time. It raised approximately £1000 for our PTFA which will be invaluable to the school.

On Tuesday evening, our teachers took part in trust wide CPD focusing on stress, trauma and developing the brain - continuing our development of our understanding of how children learn and how they can be ready to access their learning. The session was run by Diane Laird who is a free-lance trainer and therapist. She has worked with traumatised children and their families for over 30 years, initially as a social worker in the criminal justice system and then in therapeutic roles in community-based projects and residential units.

Next Tuesday 22nd November is the first of our subject parents' evenings with another consultation evening to follow on Thursday 1st December. A reminder that these consultations are online using School Cloud. If you haven't signed up yet please do so through this link <https://emmanuelmiddle.schoolcloud.co.uk/>

Thursday afternoon, Mrs Rham and Mrs Poole took the Year 6 Netball team to Poole High School to compete in the first of 3 tournaments for the PEDSSA U11 Bee Netball League. With 16 teams from schools across the Poole and East Dorset area the atmosphere was amazing. We competed in the first 3 matches of the league, where the girls played hard and came away with 3 strong wins. A fantastic effort from all of them, good luck for the next round of matches in January.

I wish you all a great weekend.

Mr Rob Christopher and Mr Alister Barker
